Practice for the zombie apocalypse is now more fun than ever with the new splattering Darkotic® Insectoid targets from Birchwood Casey®.

Birchwood Casey Darkotic Targets have proven to be popular with the zombie shooting crowd. The Darkotic Insectoid targets expand the line to include even more nasty creatures that are fun to shoot.

Four new “undead” insects are available. The Blood Drive™ Mosquito, Crawl Space™ Spider, Buzz Kill™ Fly and the House Guest™ Cockroach.

The 12”x18” splattering targets are available in 8 packs for \$12.50, 50 packs for \$70.00, or can be ordered individually/bulk in multiples of 100 for \$1.20 each.

The 23”x 35” non-splattering paper versions of all four targets are available for \$1.40 each in bulk/multiples of 100.
