**The Sharpshooter™ Silhouette Kit From Birchwood Casey®
Is Built For Serious Shooting Practice**

The new Sharpshooter™ Corrugated Silhouette Die-Cut Kit from Birchwood Casey® contains 2 durable plastic corrugated 1/3 scale die-cut silhouettes, two 9-inch Shoot-N-C oval targets, six 4-inch Shoot-N-C oval targets and 40 1-inch repair paster targets.

The corrugated silhouette target is white on one side and blue on the other for maximum contrast, making it ideal for both indoor and outdoor use, as well as low light conditions.

The Sharpshooter Corrugated Silhouette kit is compatible with all firearms and calibers and works great for self-defense or law enforcement training since the shooter can easily see their hits on the Shoot-N-C target.

The Sharpshooter Corrugated Silhouette Die-Cut Kit from Birchwood Casey sells for a suggested retail price of \$14.60.
